13th June 2011

Dear Colleagues,

Hong Kong Ophthalmological Symposium 2011 – First Announcement

On behalf of the Organizing Committee, it is my pleasure to cordially invite you to participate in the Hong Kong Ophthalmological Symposium, the annual scientific meeting of the Hong Kong Ophthalmological Society and the College of Ophthalmologists of Hong Kong on **10th – 11th December 2011**. The theme of the symposium is “**Ocular Infection**”. We are most honoured and delighted that **Professor Terrence O’Brien**, Professor of Ophthalmology, Charlotte Breyer Rodgers Distinguished Chair in Ophthalmology, Director of the Refractive Surgery Service, Bascom Palmer Eye Institute has kindly accepted our invitation to be our Featured Speaker.

As in previous years, there will be sessions for free paper and poster presentations. Your support is essential if our meeting is to remain as successful and enjoyable as it has always been. Please find an Abstract Form enclosed. A typed abstract of not more than 150 words should be submitted to the Secretariat by e-mail to asm2011hk@gmail.com. The deadline for abstract submission is **30th September 2011**. Please note that the contents of the abstracts may be edited. The official tool for presentation is Windows PowerPoint. Scientific posters should fit into the 54” (H) x 24” (W) format. A maximum of two abstracts would be accepted for each first author.

Besides the prestigious awards for Outstanding Oral and Poster Presentations for “Pre-Academy Fellows”, special prizes will also be presented in the well-received programme, “Residents’ Challenge”. Abstracts of sufficient quality work will be published in the supplement issue of the Hong Kong Journal of Ophthalmology.

Enclosed, please also find the Registration Form. You are encouraged to submit your registration before **30th September 2011**, as a special rate is available for ‘Early Birds’.

Thank you for your kind participation and active support. The Organizing Committee is very much looking forward to seeing you at this year’s Symposium.

Yours sincerely,

Nai-Man Lam
Chairman, Organizing Committee
Hong Kong Ophthalmological Symposium 2011
